

# Parent & Family Engagement Stations

Innovageous can support your school's family engagement efforts by meeting families where they are. With customized Parent & Family Engagement Stations, we bring information, hands-on activities, and resources directly to a captive audience.

Stations include interactive activities that allow visitors to walk away with ideas, knowledge and resources to support student success - and all in less than 15 minutes of participation!

## Sample Topics Include:

Off Screen Activities

Igniting Passions & Interests

Apps, Games & Websites for Academic Success

Encouragement through Growth Mindset

Destination Graduation & Beyond

Communicating with Teens and PreTeens

Supporting Social Skills

Trauma Informed Parenting

Parenting in the Digital Age

Supporting Identity in LGBTQIA+ Youth

Discussions to Promote Kindness and Empathy

Supportive Strategies to Help Balance Home & School life

Setting Routines at Home & School

Is there a topic needed at your school that you don't see above - let us know!

## School Events That We Can Join:

Back to School Night

Report Card Conferences

School Advisory Council Meetings

Discussions to Promote Kindness and Empathy

And more!

### CUSTOMIZED

We offer customized Virtual Cafes based on your school's needs such as learning platforms, curricular programs, school-based initiatives, and exploring student interests!

### FOCUSED

Our Virtual Cafes focus on specific skills and knowledge families need to support their child in learning such as setting up a learning space at home, understanding learning content, getting tech savvy, and staying organized.

### SUPPORTIVE

Each Virtual Cafe provides tangible and accessible resources for families and is followed up with a toolkit that parents/guardians can put to good use right away! Think checklists, infographics, and lists of great resources related to the topic.

### ALL VIRTUAL CAFE PACKAGES INCLUDE:

- ✓ Planning of topics with your school team
- ✓ School branded fliers and workshop materials
- ✓ 45 minute live online workshop
- ✓ Recording of live session
- ✓ Follow up toolkit for families
