What is something you  
are curious about?

How will you change  
the world?

What do you think is the best  
way to spend your free time?

What is something you learned  
about that excites you?

What's an issue in our community  
you'd like to help solve?

What is your dream  
job or career?

How can you learn more about  
something you are interested in?

What are your talents?
